The screenshot shows the homepage of the Mariana Islands Water Operator Association. A central banner reads: "Next CEU Class will be on Wednesday February 12, 2020 CHARLEY'S room at PIC, 8:30 am - 11:30 am. \$10 for members & \$15 for non-members". Below this, there is a "PFOS and PFDA Health Advisory" section. A sidebar on the left contains navigation links like "Home", "Training Calendar", "PFOS and PFDA Health Advisory", etc.

15

This screenshot is identical to slide 15, but with a black rectangular redaction box covering the "Training Calendar" link in the left sidebar and the corresponding text in the main content area.

16

The screenshot shows the website with a calendar pop-up overlay. The calendar is set to February 12, 2020, and highlights the "Next CEU Class" event. The background content is partially obscured by the calendar window.

17

The screenshot displays a specific event page for "Water Operator Continuing Education" held on Wednesday, December 11, 2019, at the Pacific Islands Club - Nagie Room from 1:30 pm to 4:30 pm. It includes an "AGENDA" section with a photo of a water treatment facility and a "DRINKING WATER" section below it.
