4. PWS Contact for Lead/Copper Sampling: Roger Vales Phone: 234-2553

Sample Sites Certification

I certify that the information contained in this document and all attachments is true to the best of my knowledge and was gathered using the above-mentioned resources. (Please Note: This certification must be signed by the Administrative Contact on record in DEQ's files or another official of the water system. It cannot be signed by an independent contractor of the water system.)
